(3-VOTES)**

SUBJECT

Recommending approval to award grant funds from the Fish and Game Commission to stock fish at the Santa Fe Dam Recreational Area, City of Irwindale.

IT IS RECOMMENDED THAT YOUR BOARD:

Approve a Fish and Game Propagation Fund Grant request in an amount not to exceed \$2,500 to stock fish at the Santa Fe Dam Recreational Area for a "Moonlight Fishing – Fishing in the City" event, to be held on July 27, 2012, at the Santa Fe Dam Recreation Area, 15501 East Arrow Highway, in the City of Irwindale, sponsored by the Department of Parks and Recreation, in conjunction with the San Gabriel Mountains Regional Conservancy and the California Department of Fish and Game.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Commission has determined that the grant request will promote education, conservation and the propagation of fish and game, thus benefiting the County of Los Angeles and the State of California.

At its meeting held April 12, 2012, the Commission considered and approved a grant request from the Department of Parks and Recreation in conjunction with the San Gabriel Mountains Regional Conservancy to stock fish at the Santa Fe Dam Recreational Area, for a "Moonlight Fishing – Fishing in the City" event, to be held on July 27, 2012.

Since 1952, the Commission continues to support activities and projects that promote the best methods for the propagation and protection of fish and game in the State of California and Los Angeles County.

Implementation of Strategic Plan Goals

The provision of funding for these events is consistent with the County's Strategic Plan Goal No. 3 (Community and Municipal Services). In addition to enhancing the community's knowledge and understanding of conservation and the propagation of fish and game, the event will allow participants with enhanced enjoyment and increase anglers fishing experience.

FISCAL IMPACT/FINANCING

There is no impact on the General Fund. The approved expenditure will be charged to the Fish and Game Propagation Fund, which has sufficient funds to cover the cost.

The Los Angeles County Fish and Game Propagation Fund is financed from a percentage of penalty assessments collected relating to fish and game code violations in Los Angeles County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 13100 of the Fish and Game Code establishes guidelines for the expenditure of fines levied for fish and game code violations. It includes public education relating to the scientific principles of fish and wildlife conservation, consisting of supervised formal instruction carried out pursuant to a planned curriculum and aids in education such as literature, audio and video recordings, training models, and nature study facilities.
